

# Wastewater Sample Request / Survey Form

Facility Contact			Date
Facility Name			
Street Address	City	State	Zip
Phone	Fax	Email	

**SAMPLING INSTRUCTIONS:** Please send a 1GALLON representative sample.

Missing, incomplete, or inaccurate information on this form will delay the evaluation and may lead to erroneous recommendations. A series of tests will be performed on the water sample submitted and will determine an optimum treatment based upon the information provided herein. Upon completion, a report will be issued indicating the results before and after treatment.

Type of Evaluation Requested (select all that apply):

- Standard Evaluation (treatment recommendations, suspended solids, pH oil and grease)
- Metals Analysis (Cd, Cr, Cu, Pb, Ni, Zn)
- Additional Metals\*
- TCLP on Sludge\*
- Total Organic Carbon\*
- Chemical Oxygen Demand\*
- Phosphorus (as PO<sub>4</sub>)\*

**\*Note: Fees may apply – contact HPI for details (1-888-733-2832)**
